Activities & Events 2019

Anson Residents Association community shop

Our community shop is now back open every Thursday 12-6pm pop along and speak to Sammy who will give you an allocated time slot to shop.

Youth sessions

Our youth sessions run on Monday, Wednesday and Thursday evenings, usually 6 – 8pm, however these times are dependent on what activities are on offer and can sometimes start and end a little later.

Youth activities

Youth activities include issue based sessions, a variety of free training sessions, CV writing, interview skills, cooking, art and design, social action projects and lots more.

Through our encouragement of positive learning experiences and providing new activities, the majority of our young people make a successful transition to further learning, training and employment.

PLAY GROUP IN L SESSIONS

Our play group runs Monday to Friday 9.30 -12.30 in term time only. We offer free funded places for those eligible and for those not eligible we offer a reasonable rate of £35 per week.

All our staff are fully trained to deliver inclusive learning through play sessions.

We provide a warm welcome to families from all cultural identities with our nursery being a diverse, multicultural setting.

Duke of Edinburgh award

We have fully qualified youth workers who support young people to with the duke of Edinburgh bronze award - free of charge.

Play sessions

Our play sessions are free for children and young people aged 5 - 13 years old. Session times are

Monday - Thursday evening 3.45 - 5.45 and Saturday afternoons 12.30 - 3.30.

At the Anson Cabin we understand the importance of play and aim to support a fully inclusive play space where all children are made to feel welcomed and valued.

Children and young people are invited to become part of our children and young peoples boards and social action projects.

All our staff are fully trained. Anson Cabin project offers a wide range of activities including arts and crafts, training, cooking, gardening, environmental projects, sports projects, issue based work and much more

who are we & what do we do

The Anson Cabin Project is a registered charity, working with children and young people in one of the most disadvantaged areas of Manchester, for over 18 years

Our grass roots project on the Anson estate brings children, young people and families from different communities together.

Together we create our own opportunities through early years play, open access play and youth sessions. Our facilities are unique in Manchester, operating from a pecialized and fully inclusive porter cabin.

We challenge issues such as social exclusion, discrimination, hate crime, anti social behavior, mental health and well being as well as issues which affect people we work with - the evidence of our successes tackling these issues can be seen through our evaluations.

By delivering positive learning experiences and supporting children and young people, the majority of our young people are successful at getting into further education, training and employment.

We work with young people between ages 5 and 17 years old as well as their families and the wider community.

For up to date information regarding activities here at the anson cabin project please see our website www.ansoncabin.co.uk

The Anson Cabin Project is ran by a board of trustees all are volunteers who meet on a monthly basis, if you are interested in joining the Anson Cabin Project management committee voluntary basis) please contact Julie Scott project manager DBS check will be carried out for anyone interested"

As part of the A6 play and youth partnershi we would like to thank our partners levenshulme youth project and M13 youth project for their continued support

During the coronavirus pandemic 2020 the anson cabin staff team have continued to support children, young people and their families with food parcels, arts and crafts resouces, online youth support and face to face activities.

Our onsite sessions are now back up and running with limited spaces.

some of our recent activities...

Environmental

projects we actively encourage children and young people to learn about recycling and how to be more environmentally friendly. Our environmental projects include our growing project on Brynton road/Old Hall lane garden and allotments - green fingered volunteers needed, if you fancy joining in.

Celebrating Halloween

in partnership with GMP, One Manchester and Levenshulme Youth Project.

Free play freely chosen child led play is a way for children to develop a wide range of skills - including social, emotional and physical skills. We enable them to be creative and adapt their environment. At the Anson Cabin project we have used all sorts of materials to make hammocks, swings and dens, etc.

Arts and crafts mask making was just one of our recent arts and crafts activities, we believe it is important to give children and young people the opportunity to be creative and express them selves.

Farm visit we were recently visited by a farm! The children and their families had a great afternoon with the chickens, rabbits, cows and goats. It was great to see everyone enjoying new experiences and learning about animal welfare.

Crowcroft Cycle Club

The Crowcroft Cycle Club (CCC) holds public workshops where members of the community can bring their bikes in for free repair. There are usually two per month, one during the week and the other on a Saturday – look out for the letter we will send with details.

The project prides itself on its outreach work. Engaging with young people in one to one cycle maintenance tuition, referrals are provided through partner agencies such as local homes, hostels, schools and youth services. Young people are invited to choose a cycle of their own to work on and later is allowed keep it if their participation has been positive.

The club has used agencies to find voluntary work for young people. Agencies like Remedi, providing young people to tidy up the yard, weeding and brushing up and

Melland Road High School who use the project to provide work related experience for their students.

The CCC is now working in partnership with both TFGM and Cycling UK to provide cycling activities for the community. Most notably, a women's only cycling group, focusing on Mums. This has proven to be very successful thus far.

The CCC is working Cycling Uk to obtain Big Bike Revival funding. With this funding we intend to provide cycling activities focusing on training adults to learn to ride.

The six week summer holiday will see the Crowcroft Cycle Club open to all to and available to throughout the day.

Some information from some members of our children's board:

Hi my name is Daisy and I am eight years old.
I love cabin because I get to interact with other people. I like being a junior play worker because I get to help others.

Hi I am Aliyeah and I love glitter and the colour Pink. I love being a junior play worker because I get to help others and get to meet new people.

I like coming to cabin because I get to meet new friends do fun stuff and I really like the staff.

a year since the

formerly derelict council

Fleming moved his cycle project into

activities and encourage more use

Working in close partnership with the

Youth, Chris felt it was important to

hit the ground running. The team

organised a sports orientated fun

day in the park to promote the club.

It was a resounding success, we had

several hundred visitors on the day!

Anson Cabin and Levenshulme

building in Crowcroft Park was

occupied by GMP. PCSO Chris

the new premises to promote

of the park.

Here are my pictures of them.
