Introducing:

Luke

Hi. My name is Luke Brennan. I attend the Anson cabin youth project and currently on work experience here.

At the Anson cabin youth project we all come and chill out with our friends. We play on the Wii, sing and dance, and talk to each other. We occasionally go on trips, such as laser quest and our planning a trip to go to Camelot.

I come to Anson cabin because it gives me the chance to socialize with my friends while enjoying myself and having a laugh.

ABOUT THE ANSON CABIN PROJECT

At the Anson Cabin Project is for children aged 5-13 years old it is free to come here and it is open after school Monday – Fridays and on a Saturday.

We have a few rules here that are made by everyone together.

We have a strike system that if you break a rule you get a strike and if you get 3 strikes you are barred for a week.

What is the children’s Board?

In Board meetings we discuss, and plan things like what trips we are going on, and what event we want to have happening like fun days, we plan tasks for the street team to do, and we think about things to get the other children involved like a suggestions board.

It is good being a children’s board member because we listen to each others opinions and ideas and we all work together .
